**NOTIFICATION**

**Transition of all claims to Online Submission**

In the interest of Public service and as part of our ongoing efforts to streamline processes and enhance efficiency in serving the public better, we are excited to announce a significant update in our operations. Claims such as Maternity Benefits, Medical allowances and Death Insurance claims (PMJJBY) will also be processed through online platform from the Financial Year 2024-2025 onwards. This transition marks a very important step towards modernization, ensuring a smoother and more convenient experience for all stakeholders involved.

The NBOCW Welfare Board will also be organizing a training for all operators on how to operate and execute the new claim process.

However, Maternity Benefits, Medical allowances and Death Insurance claims (PMJJBY) will only be processed from the Office of the Assistant Labour Commissioner and not through CSCs in order to maintain and regulate a genuine verification process of the claimants and their documents.

In light of this change, we kindly request your cooperation in facilitating the seamless implementation of online claims submission. Your support and assistance are crucial in ensuring that this transition is successful and beneficial for everyone.
